

# MiC Alumni Speaker Series

Department of Chemical  
Engineering and Applied Chemistry

UNIVERSITY OF  
TORONTO

Shreyas Choudhary  
Reporting Analyst  
Securian Canada

December 08, 2023  
12:00 p.m.

# Audience Reminders

1 This is a fun interactive session!

2 Feel free to stop me anytime and ask questions!

3 Don't shy away from asking questions, I won't bite, haha!

# Talk Outline

What we'll cover this afternoon:

- Introduction
- Current Employment
- Navigating your path after graduation
- Current hiring practices

About Me

I'm Shreyas,  
a Reporting Analyst at  
Securian Canada.

---

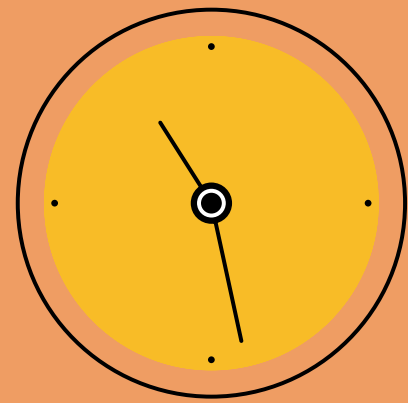

M.Eng, University of Toronto - June 2021

B.Eng, Shivaji University, India - May 2018

# Current Employment

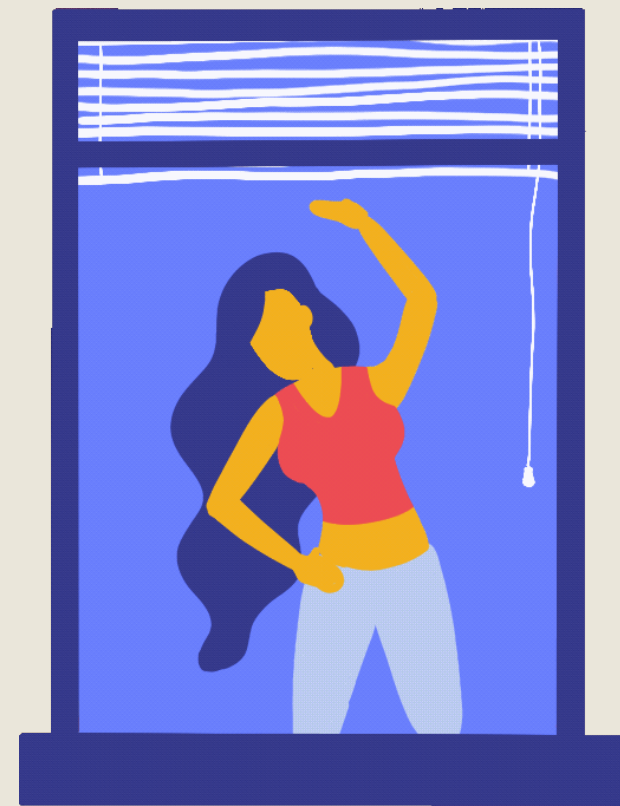

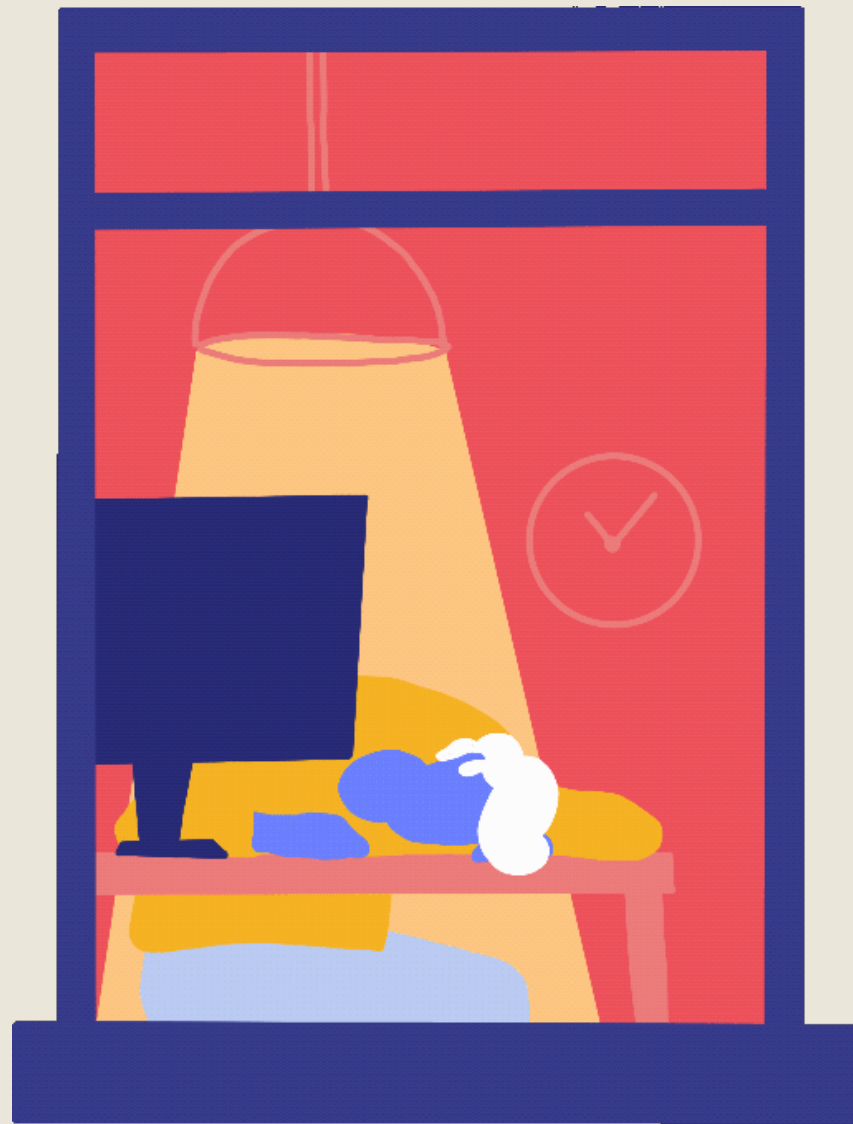

- Typical Day.
- Responsibilities.
- Required technical, and soft skills and their importance in day -to -day work.
- Interview process and preparedness.
- Progress in the current organization.
- What did MEng help with?
- General Advice.

# Navigating your path after graduation

"Believe you can and you're  
halfway there." - Theodore  
Roosevelt

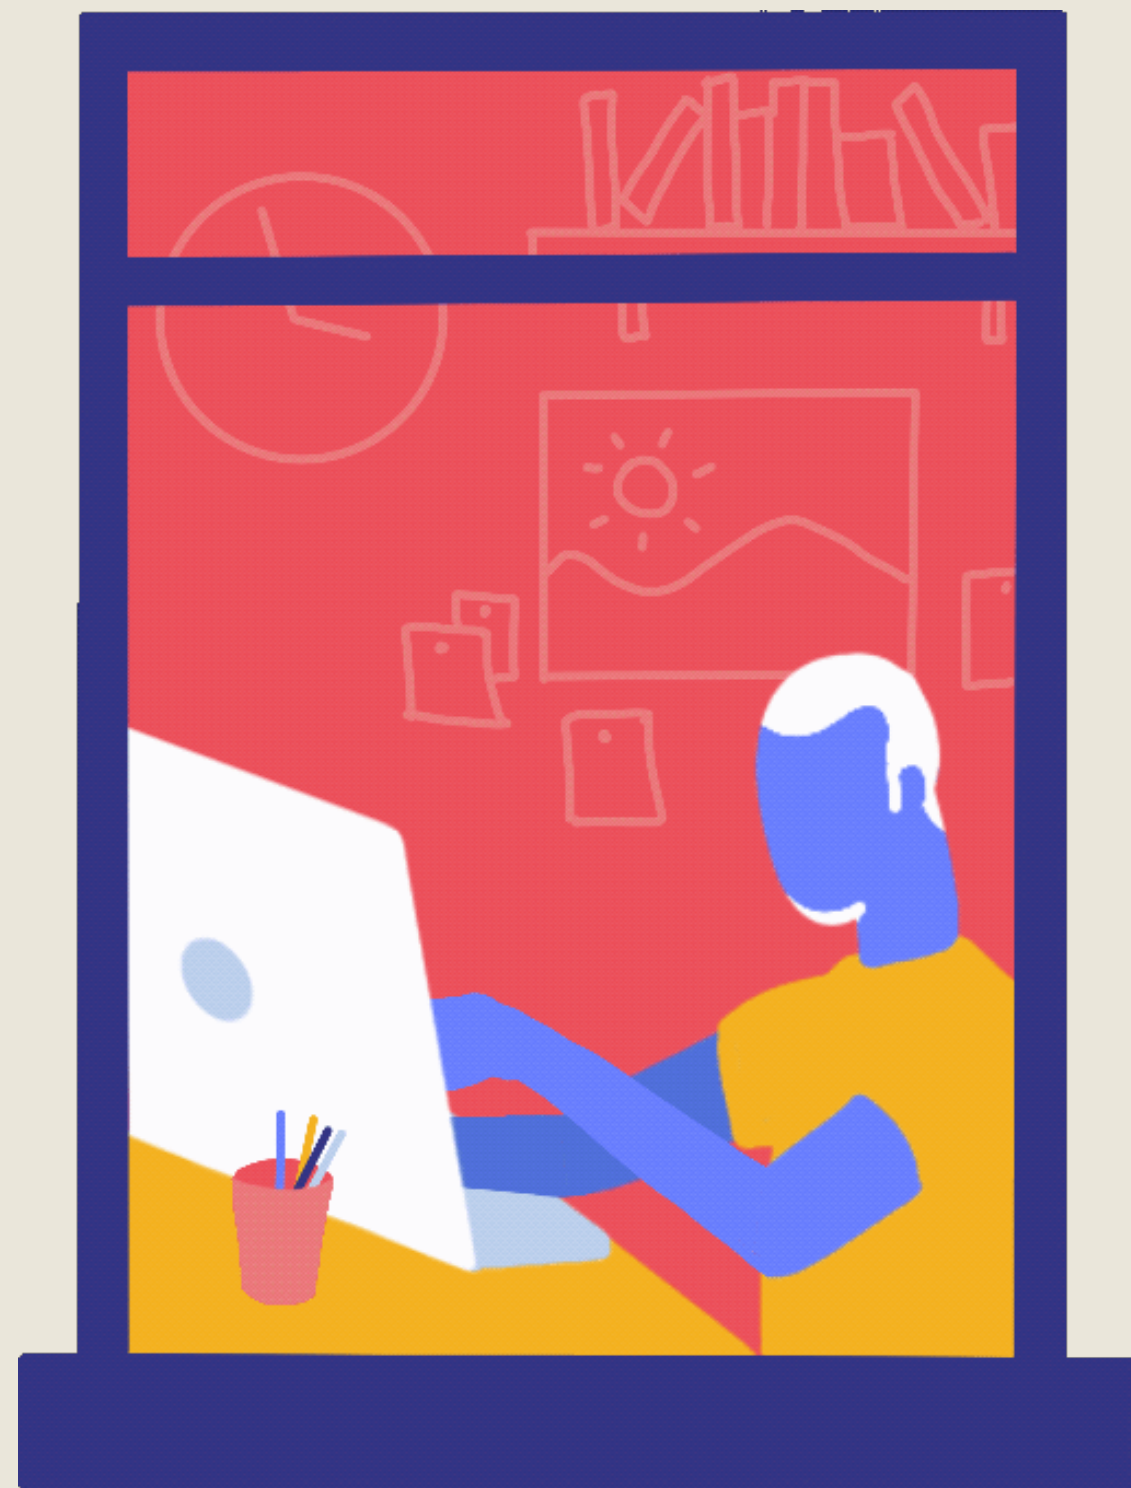

- Path to the current position.
  - Challenges
  - Do something else right out of school?
- How do I find jobs?
  - Additional Certifications?
- “Canadian Experience” - is it true?

Too much work and no break makes Jack a stressed person!

It's normal to want to take a pause!

Spend some quality time recharging and doing things you love from time to time!

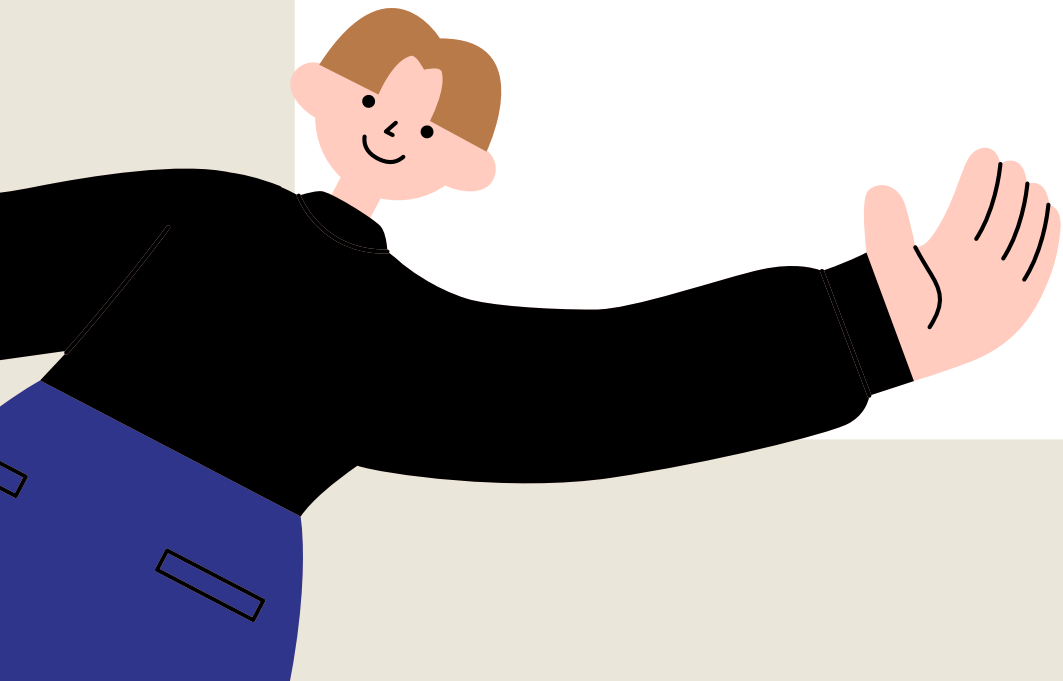

# Current Hiring Practices

- Skills and experience required.
- Do extracurriculars matter?
- Deal breakers?
- How to demonstrate marketable skills?
- Any advice?

Motivation  
comes from within.  
Go for it. Get moving.

# Thank you!
